

# National Exercise Program Climate Adaptation, Preparedness, and Resilience Exercise Seminar

## HOW TO ACCESS SEMINAR MATERIALS

Available seminar materials include: Participant Manual, slide presentations, and participant handbooks from four climate-related exercises.

### Step 1: Login to the National Exercise Division Preparedness Collaboration portal (Preparedness Toolkit)

- If you are already a member, [login](#) with your account credentials
- If you are not yet a member, register [here](#) (if needed, use this [Quick Reference Guide](#))

### Step 2: Request access to the “Climate Adaptation Seminar” collaboration space

- In the bottom-right area of the homepage, under “Toolkit Shortcuts,” click “Exercise Collaboration & Conduct Tool”
- Click the “Available Exercises” tab
- Find “Climate Adaptation Seminar,” then click the corresponding “Request Membership” link
- After you are granted membership, you will be able to access all seminar materials

If you need assistance with logging in or requesting access to the collaboration space, contact [support@preptoolkit.org](mailto:support@preptoolkit.org).
